

Get ready for the

HEAVYWEIGHT PLASTIC BAG BAN

To reduce our impact, we are removing ALL plastic shopping bags from our CEQ stores

In April, our teams will start transitioning from our current re-usable plastic shopping bags to new re-usable, non-plastic alternatives.

This means that even the heavyweight plastic shopping bags that we consider 're-usable' now, will no longer be available.

EXPANDING THE SINGLE-USE PLASTIC BAN FROM THE 1ST SEPTEMBER 2023

QUEENSLAND BUSINESSES ARE NOT
ALLOWED TO USE SINGLE-USE PLASTIC BAGS

Learn more > www.business.qld.gov.au/industries/manufacturing-retail/retail-wholesale/single-use-plastics-ban

CEQ is taking a proactive approach on single-use plastic bags by activating this change from April 2023

As a part of our environmental social governance our team are assessing new ways to reduce CEQ's carbon footprint and also increase our stores and community sustainability.

Help us to lead the way for our remote communities in Queensland

NEW Range of Reusable Bags

A new exciting range of re-usable shopping bags will be available in all of our ABIS & IBIS Stores.

Ask one of our friendly team to learn more about the changes ahead or visit our CEQ website by scanning the QR code with your smart phone.
