3 reasons to start saving today

1

It's as easy as 1,2,3

Step 1 - Choose how much to put aside - a little goes a long way when you save each fortnight (see the savings plan on the back of this page)

Step 2 - Complete the NAB direct debit form and return it to your store

Step 3 - In December, collect your CEQ Christmas Club Account Card from your store and start spending.

2

It's flexible and safe

CEQ holds your money for you in an account ready for you at Christmas time, but we understand circumstances change. If for any reason you need the money in your account returned at any time, we're happy to do this for you.

3

Bonus 5% as a Christmas gift for you

As long as you don't withdraw your money beforehand, we'll boost your savings by 5% in December when you collect your Christmas Club Account Card.

A little goes a long way

You don't need to save hundreds per fortnight to have a bit extra at Christmas time. Putting away a little really adds up over the year.
